

September 2022

Dear Partner in Education:

The Ballston Spa Educational Foundation was formed to raise, manage, and distribute financial and non-financial resources for educational enrichment. We are proud to say that over the past 24 years, we have granted nearly half a million dollars to the teachers and faculty of the Ballston Spa Central School District to enrich the educational developments of their students. We are beginning our Fall 2022 grant cycle and encourage you to apply. Funds from this grant cycle will be available in January 2023

You are invited to apply for funds by completing an application form available on our website at: **www.bsppedfoundation.com**.

Priorities will be given to projects that address the Foundation's mission and are educationally enriching, innovative, creative and include a plan for continuation beyond Foundation support. If you have previously applied for a grant and it was not approved, you may re-submit the proposal, or a new version of the proposal, for this review cycle.

Please send an electronic copy of your application to us at the following email address: **bsppedfoundation@gmail.com**. Your application and any supplementary information should be received by no later than Friday, October 28, 2022.

Remember, your Principal **must** either: (a) sign the actual application; OR (b) email me directly using his/her BSCSD email account indicating that the application had been reviewed and approved for submission.

For more information on the application for funding, contact Stuart Williams in the Office of Community Resources at 884-7195 ext. 1305, Cheryl Garrant at 518- 225-0525 or David Lotto at 315-794-1134 . We encourage you to take advantage of this unique opportunity. Good luck with your application!

Sincerely,
